

The Premium Corporate Package

Everything Your Team Needs, One Monthly Bill

From move-in to maintenance, we make corporate housing seamless so your team can focus on what matters most.

Corporate Housing, Made Effortless

Take the hassle out of employee housing with our all-inclusive package. Fully furnished apartments, utilities, and Wi-Fi - all coordinated for you, all on one monthly bill.

No setup, no stress, just a streamlined solution that works from day one.

Skip the Extra Deposits

No need to open separate utility accounts or pay upfront deposits with Georgia Power, we've already taken care of it. Your team can move in without the added cost or hassle.

Built-In Protection

Every stay includes a renter's insurance policy through GetCovered, with \$10,000 in personal contents coverage - giving your employees added peace of mind at no extra cost.

Flexible Package Options

Choose what works best for your team: a furniture-only setup or a fully equipped option with essential housewares included. Both are designed to make move-in effortless.

Stop managing multiple vendors. With everything bundled (rent, utilities, furniture, and renter's insurance) you get one clear monthly statement. Simplify your process and start saving time today.
